On-line Shoppers

Please pick up your parcels on arrival. We have very limited space for storage and we don't want our lobby looking like a box store.

Name The Turtle Contest

The winning resident who comes up with the best name (as judged by the Board) can win passes to the Calgary Zoo or Movie Passes.

Parkade Cleaning Saturday, May 28th

All vehicles must be removed from the parkade before 8:00 AM, May 28. Edworthy Park parking will be available, as well as 10 stalls in the Riverside Club's overflow parking.

If you require RTO staff to remove your vehicle, please provide the \$20 fee and your vehicle key to reception before May 28. A **\$50 fine** will be levied for non-compliance.

Change to Renovation Policy

Some major renovations have required 3 or 4 months to be completed. These renovations involve additional wear and tear on the elevators, and additional demands on RTO Staff. Effective immediately, there will be a non-refundable fee of \$500.00 charged to **Level-3** and **Level-4** renovations (please see RTO Resident Information Manual, page 23). This fee must be submitted with the Renovation Application Form.
